PITTSBURGH, Oct. 18, 2011 /PRNewswire/ -- Regional business leaders are slated to participate in a panelist discussion about Cyber Liability and Disaster Recovery Preparedness at August Wilson Center in Pittsburgh on October 26.

Michael Malone, producer at Henderson Brothers, will moderate the discussion. Panelists will include Steve Shangold, CEO at Ascent Data; Anne Winner, assistant VP and senior E&O underwriting specialist at Chubb; Eric Wright, CPA and technology shareholder at Schneider Downs; and Thomas Philbin, manager of Large Commercial Division at Henderson Brothers.

Panelists will discuss methods to identify business risk and exposure, and how to implement and monitor a customized risk prevention and IT infrastructure Disaster Recovery plan, as it relates to network security, privacy, errors and omissions, and intellectual property. Additionally there will be an open question and answer period.

"We're pleased to have the opportunity to sponsor this educational event and to bring together this group of industry experts to discuss the challenges associated with protecting and securing customer information," said Tom Grealish, president of Henderson Brothers.

Register to Attend

"The New Emerging Risk: Cyber Liability and Disaster Recovery "seminar will take place on October 26, from 8-10am at August Wilson Center in Pittsburgh. Register to attend by email at klwilson@HendersonBrothers.com.

About Henderson Brothers

Henderson Brothers, founded in 1893 in Pittsburgh, was formed primarily to serve the insurance needs of the river industry. Since that time, the company has diversified into virtually all areas of insurance and risk management, employee benefits and all lines of commercial, personal property and casualty insurance. The company offers insurance and services through nearly 100 of the nation's largest and most respected insurance companies. For more information about Henderson Brothers, visit www.hendersonbrothers.com.
