The program is co-hosted by the Greater Pittsburgh CIO Group and nominees represent Global, Enterprise, Growth and Non-Profit categories. The award recognizes Information Technology leaders for their innovation and creativity in planning and deploying their enterprise systems, future technology goals, management philosophy and service to the industry and community.

"This program provides a venue to recognize the leadership that has contributed to making technology the cornerstone of our region. The dedication and vision of these leaders, drives innovation, ignites creativity and inspires others. We are proud to be a supporting sponsor of this program," said Steven Shangold, president and CEO of Ascent Data.

The 2012 CIO of the Year Award will be presented on March 7, 2012 at Heinz Field. Visit <http://www.pgtech.org> to learn more about the finalists and the event.
